Skills

Languages: C, C++, SQL, PHP, HTML, CSS, JavaScript, Java, Python, Typescript
Technologies: React.js, Express.js, Node.js, MongoDB, PostgreSQL, Next.js, Bootstrap
Coursework: Low-level Design(LLD), Algorithms Analysis, Operating System(OS), Data Structures, Networking, Database (DBMS), Software Engineering
Miscellaneous: Linux, Shell (Bash/Zsh), Git

EXPERIENCE

Content Problem Reviewer and Solution Author, LeetCode   Apr 2024 – Aug 2024
- Oversaw a quality control initiative for LeetCode problems, revising 120 problem statements and examples; improved user satisfaction ratings by 15% through feedback channels.

Projects

Raj Fashion eCommerce Website | *React, UI/UX Documentation, Frontend Development*
- Documented the frontend behavior and user interaction flows for the Raj Fashion eCommerce website, providing detailed guidelines that streamlined development and improved feature consistency, leading to a 25% reduction in debugging time and enabling the launch of key features 2 weeks ahead of schedule.
- Enabled a seamless shopping experience with optimized load times (35% faster) and intuitive navigation, ensuring accessibility and usability across 5+ devices.
- Collaborated with developers to ensure timely feature implementation, improving development speed by 30% and enhancing user engagement by 20% post-launch.

Restaurant Application | *Node.js, MongoDB, Mongoose, Web Server*
- Documented the application behavior and user interaction flows for the restaurant app, providing clear guidelines that facilitated the successful launch of 5 new features ahead of schedule (by 3 weeks).
- Created detailed reference documents for stakeholders, including users, administrators, and developers, improving communication efficiency by 40% and ensuring seamless collaboration throughout the project.
- Collaborated with three development teams to streamline the development process, improving application performance by 25% and scalability by 15% for high traffic.

Achievements

- **Accomplished ratings of 1400+ on CodeChef**
- **Solved 1,200+ DSA problems** across platforms, maintaining a **370+ day streak on Leetcode.** (*Consistency*)
- Technical head of a community of students interested in coding, **followed by 3,000+ students**. (*Link*)

Profiles

LeetCode   CodeChef   GeeksforGeeks   Coding Ninjas

Education

Lovely Professional University   2022 – 2026
Bachelor of Technology in Computer Science & Engineering (CGPA: 8.68 / 10)   Jalandhar, Punjab

D.A.V Public School   2020 - 2022
Higher secondary education (Percentage: 85, JEE Mains 88.3 Percentile)   Hisar, Haryana
